POSITION OVERVIEW
Destiny Arts Center (DAC) is seeking a full-time Case Manager/Community Support Specialist to join a
collegial community of talented professionals dedicated to the power of the arts to transform the lives of
young people, families, and communities.

Destiny Arts Center’s mission is to inspire and ignite social change through the arts. For over 30 years,
Destiny has been committed to supporting young people as they develop their skills as artists, global
citizens, and advocates for peace in their communities and beyond. Supported by our peaceful Warrior’s
Code of values (love, honor, respect, responsibility, and peace), DAC artists establish a classroom culture of
welcome to support youth’s sense of safety, value, and interpersonal connection. As a result, young people
live peaceful, connected, and creative lives. Since its inception, DAC has worked to co-create a culture that
de-centers dominant social narratives and centers the traditions, resources, and creativity of queer and Black,
Indigenous, and People of Color (BIPOC). DAC works to connect majority BIPOC youth with hip hop dance,
traditional African dance, and martial arts programs taught by professional artists of color for more than 30
years. We have seen that as youth connect to their own stories and that of their communities, they broaden
their awareness of social issues, and many have gained tools for arts-based civic action.

DAC offers sliding scale after-school, weekend, and summer programs at our North Oakland arts center.

every young person who joins us, providing opportunities to learn, grow, heal, and use movement arts to
