Make an impact on the lives of over 5,500 young people in Oakland and throughout the Bay Area by becoming a sponsor of *Powering Dreams: The Destiny Gala*. This event supports the transformative work of Destiny Arts Center, which inspires and ignites social change through the arts.

Founded nearly forty years ago, Destiny's programs have grown to include over fifty school and community sites offering professionally taught dance, martial arts, and theater classes free to participants and a North Oakland center with pay-what-you-can movement classes afterschool and in summer camp.

In every Destiny class, young people learn to express themselves, overcome challenges, and build a more inclusive and compassionate world.
